

A lighthouse beam illuminates the night sky, which is filled with stars and the Milky Way galaxy. The beam of light from the lighthouse is bright and focused, creating a strong contrast with the dark, starry background. The Milky Way is visible as a dense band of stars stretching across the upper right portion of the sky. The overall scene is serene and evocative, suggesting a path of light in a vast, dark universe.

HOPE for the BROKEN

**Jesus traveled through all the towns and villages of that area, teaching in the synagogues and announcing the Good News about the Kingdom. And he healed every kind of disease and illness.
Matthew 9:35 (NLT)**

These miraculous signs will accompany those who believe: They will cast out demons in My name, and they will speak in new languages. ¹⁸ They will be able to handle snakes with safety, and if they drink anything poisonous, it won't hurt them. They will be able to place their hands on the sick, and they will be healed.” ...And the disciples went everywhere and preached, and the Lord worked through them, confirming what they said by many miraculous signs.

Mark 16:17-18, 20

HOPE for the BROKEN

Confess your sins to each other and pray for each other so that you may be healed. The earnest prayer of a righteous person has great power and produces wonderful results. James 5:16

Are any of you sick? You should call for the elders of the church to come and pray over you, anointing you with oil in the name of the Lord. ¹⁵ Such a prayer offered in faith will heal the sick, and the Lord will make you well. And if you have committed any sins, you will be forgiven.

James 5:14-15 (NLT)
